INDEX TO VOLUME LIX

Abel, John J., E. A. Evans, Jr. and Bettylee Hampil: Researches on tetanus. V. Distribution and fate of tetanus toxin in the body 307
Adrenal cortex, Influence of the, upon the distribution of body water 11
Adrenal cortex, Water and salt hormone of the 25
Adrenal and liver, Peculiar granules in the cells of the, in infections 427
Anaemia, pernicious, and hyperthyroidism, A note upon the association of 291
Andrus, E. C., and M. M. Wintrobe: A note upon the association of hyperthyroidism and pernicious anaemia 291
Arteriosclerosis, pulmonary, Primary. Report of a case with marked calcification of the pulmonary arteries 143
Asystole, ventricular, Effect of, on respiration 213

Baker, Benjamin M. Jr., and John Eager Howard: Adenoma of parathyroid with renal insufficiency. Case report 251
Book Reviews 60, 129, 209, 303, 449
Bordley, James III, Max H. Grow and William B. Sherman: A note on the nail-fold capillaries in negroes 447
Brailey, Miriam: Mortality in tuberculin-positive infants 1

Capillaries in negroes, A note on the nail-fold 447
Congenital malformations of the heart due to defective development of the right ventricle associated with tricuspid atresia or hypoplasia, The clinical and pathological findings in 435

Evans, E. A. Jr., John J. Abel and Bettylee Hampil: Researches on tetanus. V. Distribution and fate of tetanus toxin in the body 307
Exophthalmos, Progressive, following thyroidectomy 99

Felton, Lloyd D., and Benjamin Prescott: Studies on the immunizing properties of a type I pneumococcus polysaccharide 114
Firor, Warfield M., and Barnes Woodhall: Hemophilic pseudotumor: Diagnosis, pathology and surgical treatment of hemophilic lesions in the smaller bones and joints 237
Fisher, A. Murray: The plasma-coagulating properties of staphylococci 393
Fisher, A. Murray: The fibrinolytic properties of staphylococci 415

Gastric and duodenal ulcers, Surgical treatment of 35
Gray, Laman A.: Salmonella suipestifer infection in myomas of the uterus. Report of a case 231

Hampil, Bettylee, John J. Abel and E. A. Evans, Jr.: Researches on tetanus. V. Distribution and fate of tetanus toxin in the body 307

Harrop, George A.: The influence of the adrenal cortex upon the distribution of body water 11
Harrop, George A.: The water and salt hormone of the adrenal cortex 25
Heart, congenital malformations of the, due to defective development of the right ventricle associated with tricuspid atresia or hypoplasia, The clinical and pathological findings in 435
Hemophilic pseudotumor: Diagnosis, pathology and surgical treatment of hemophilic lesions in the smaller bones and joints 237
Henriksen, Erle: Mesenteric tumor associated with pregnancy. With report of a case 73
Howard, John Eager, and Benjamin M. Baker, Jr.: Adenoma of parathyroid with renal insufficiency. Case report 251
Hyperthyroidism and pernicious anaemia, A note upon the association of 291

Jarcho, Saul: Lupus erythematosus associated with visceral vascular lesions. A series of autopsied cases 262
Jarcho, Saul: Steatorrhoea with unusual intestinal lesions 275
Jennes, Sidney W.: Diffuse aneurysmal dilatation of the pulmonary artery and both of its branches 133
Jaundice. Methods of diagnosis and treatment of its causes 78

Liver and adrenal, Peculiar granules in the cells of the, in infections 427
Lupus erythematosus associated with visceral vascular lesions. A series of autopsied cases 262

Martin, Lay: Jaundice. Methods of diagnosis and treatment of its causes 78
McKee, Clara M., and Arnold R. Rich: The mechanism of a hitherto unexplained form of native immunity to the type III pneumococcus 171
Mesenteric tumor associated with pregnancy. With report of a case 73
Myocarditis, Severe, of unknown etiology 155

Norris, Robert F. L.: Primary pulmonary arteriosclerosis. Report of a case with marked calcification of the pulmonary arteries 143

Oppenheimer, Ella H., and Helen B. Taussig: Severe myocarditis of unknown etiology. 155

Parathyroid, Adenoma of, with renal insufficiency. Case report 251
Pneumococci, Studies on the immunizing substances in, V. The effect of alkalis on the immunizing properties of a type I pneumococcus polysaccharide 114
Pneumococcus, The mechanism of a hitherto unexplained form of native immunity to the type III 171
Prescott, Benjamin, and Lloyd D. Felton: Studies on the immunizing substances in pneumococci. V. The effect of alkalis on the immunizing properties of a type I pneumococcus polysaccharide 114
Pseudotumor, Hemophilic: Diagnosis, pathology and surgical treatment of hemophilic lesions in the smaller bones and joints 237
Pulmonary artery and both of its branches, Diffuse aneurysmal dilatation of the 133

Reeves, David L., and I. Ridgeway Trimble: Surgical treatment of gastric and duodenal ulcers 35
Rich, Arnold R., and Clara M. McKee: The mechanism of a hitherto unexplained form of native immunity to the type III pneumococcus 171

Salmonella suipestifer infection in myomas of the uterus. Report of a case 231
Santee, Frederick L.: Peculiar granules in the cells of the liver and adrenal in infections 427
Staphylococci, The fibrinolytic properties of 415
Staphylococci, The plasma-coagulating properties of 393
Steatorrhoea with unusual intestinal lesions 275

Taussig, Helen B., and Ella H. Oppenheimer: Severe myocarditis of unknown etiology 155
Taussig, Helen B.: The clinical and pathological findings in congenital malformations of the heart due to defective development of the right ventricle associated with tricuspid atresia or hypoplasia 435
Tetanus, Researches on, V. Distribution and fate of tetanus toxin in the body 307
Thomas, Henry M. Jr., and Alan C. Woods: Progressive exophthalmos following thyroidectomy 99
Thomas, Henry M. Jr.: Effect of ventricular asystole on respiration 213
Trimble, I. Ridgeway, and David L. Reeves: Surgical treatment of gastric and duodenal ulcers 35
Tuberculin-positive infants, Mortality in 1

Ulcers, gastric and duodenal, Surgical treatment of 35

Wintrobe, M. M., and E. C. Andrus: A note upon the association of hyperthyroidism and pernicious anaemia 291
Woodhall, Barnes, and Warfield M. Firor: Hemophilic pseudotumor: Diagnosis, pathology and surgical treatment of hemophilic lesions in the smaller bones and joints 237
Woods, Alan C., and Henry M. Thomas, Jr.: Progressive exophthalmos following thyroidectomy 99
